

Impact Services

Founded in 2002, Impact Services is a leading provider of security, cleaning, key holding, front-of-house, and maintenance solutions across the UK. With a strong reputation for professionalism, reliability, and innovation, we specialise in delivering tailored, high-quality services that meet the exacting standards of blue-chip companies across multiple industries. We understand the complexities of working with large corporations, where operational efficiency, compliance, and brand reputation are paramount.

Our customised service solutions integrate seamlessly into corporate environments, supporting organisations in maintaining safe, secure, and well-managed workplaces. Whether securing high-profile corporate headquarters, maintaining high-traffic retail spaces, or ensuring industrial sites operate smoothly, our services are designed to enhance safety, efficiency, and operational excellence.

Why Blue-Chip Companies Choose Us
Unmatched Industry Expertise – Over 20 years of experience providing specialist service solutions to large-scale enterprises. Bespoke & Scalable Solutions – Services tailored to each client's unique requirements, adaptable as businesses grow. Regulatory Excellence & Compliance – Fully accredited, adhering to the highest standards in security, health, safety, and environmental management. Nationwide Reach, Consistent Delivery – Providing seamless, high-quality service across multiple business locations. Dedicated Leadership & Operational Support – A hands-on management team ensuring service excellence, rapid response, and continuous improvement.

With 65+ years of combined industry experience, co-founders Stuart McBride and Alex Platt, alongside Operations Director Frank Jackson and Head of Operations William Tracy, lead a highly skilled team committed to providing superior service and innovative solutions.
