

## Jaguar Security Services Private limited

Jaguar Security Services Pvt. Ltd. was founded in 1990 by Brigadier T.S. Sirohi (Retd), a decorated Army veteran, who transformed his defence expertise into elite corporate security solutions. His legacy of ethical principles and unwavering commitment to security remains at the core of our operations.

Managing Director, Colonel Arvind Sirohi (Retd), brings over two decades of Indian Army experience, including service with the Black Cat Commandos (NSG), Ministry of Defence, and UN peacekeeping missions. His expertise in counter-terrorism and urban surveillance drives our strategic vision and pursuit of excellence.

CEO, Manoj Varma, an alumnus of the National Defence Academy and former Black Cat Commando, served with distinction in the Indian Cavalry, earning the Sword of Honour and President's Gold Medal. His corporate security leadership, including as Head of Security for Goldman Sachs India, has elevated Jaguar Security's operational excellence since 2012.

We prioritise 'Quality over Quantity', delivering premier security services, including physical security, crisis management, event security, and risk assessment. Our motto, "A Step Ahead," reflects our commitment to internationally benchmarked security solutions, blending advanced technology with expert personnel.

With a nationwide presence, Jaguar Security holds private security licences in 19 states and is certified under ISO 9001:2015, ISO 27001:2013, ISO 45001:2018, and ISO 18788:2015. We safeguard leading Indian and global corporations, ensuring rigorous legal compliance and unmatched vigilance in protecting their assets and interests.
