

MLM Protection

MLM Protection Ltd., an internationally esteemed provider of integrated security services to diverse clients, was established in Israel in 2002 by Mr. Ofer Bar, former senior officer in the Israel Security Agency (ISA).

The company's professional team also includes a senior officers who formerly served in the ISA, including in its VIP Protection Unit, and carefully selected former members of various Israeli security agencies.

MLM highly qualified security experts develop tailored solutions optimally meeting each client's needs, taking into account unique characteristics, operational environment and profile, and any relevant constraints.

The modular solutions developed by the company range from specific, ad-hoc services to meet specific needs, to comprehensive, wide-ranging services. These are delivered and implemented by the company's 4 divisions:

- Security Consulting Division
- Security Services Division
- Security Training Division
- Security Technologies and Equipment Division

Key Services

- Manned Guarding Services
- Event Security
- VIP Protection
- Response Teams
- Aviation Security
- Maritime Security
- Risk Assessment
- Security Training
