Starco Security Ltd.

Founded in 1994, Starco Security Ltd. has grown to become a leading security provider in Switzerland with highly trained professionals. Our team consists of experts with police backgrounds and certified security specialists, ensuring the highest level of protection for our clients.

As a certified training centre, we provide security personnel with the highest level of training, backed by eduQua and SRC certification. We are a proud member of the Association of Swiss Security Service Companies (VSSU). Our Managing Director is also a member of the Board of the Association of Swiss Security Service Companies (VSSU).

With offices in Zurich, Zug and Wettswil, we are always ready to meet your security needs. Trust Starco Security AG for professionalism, reliability and excellent protection.
