

Weiser Security Services, Inc

Weiser Security Services Inc., a family-owned business, has been in business 55 years.

Without a focus on mergers and acquisitions, we are the 9th largest security company in the United States. Weiser has 28 Branch Offices in 23 States and operate in over 400 cities. (LA, MS, AL, KY, GA, NC, SC, VA, IL, WI, IN, IA, OH, PA, NJ, TN, FL, AR, TX, KS, NE, MO, AZ, NV, CA)

We utilize a proprietary security applicant profile screening program, Inner View™.

Only 13% of applicants make the cut to become Weiser Security Officers.

We have a robust training program that consists of pre-site, on-site and continual training.

Our officers receive full benefits ranging from dental, vision, health, and paid vacation

With our "Span of Control" system we ensure that our managers aren't over-worked.

Our managers are rewarded by client interaction and feedback. This encourages them to put emphasis on the satisfaction of the site.

The Weiser Virtual Guard can reduce annual security costs by 50- 75% while increasing your total security coverage.

Our Weis-Guard Tour Management system provides immediate communication with officers on site and an interactive way to manage the Officer patrols
